Sea Pole La Rochelle, our know-how in the naval sector

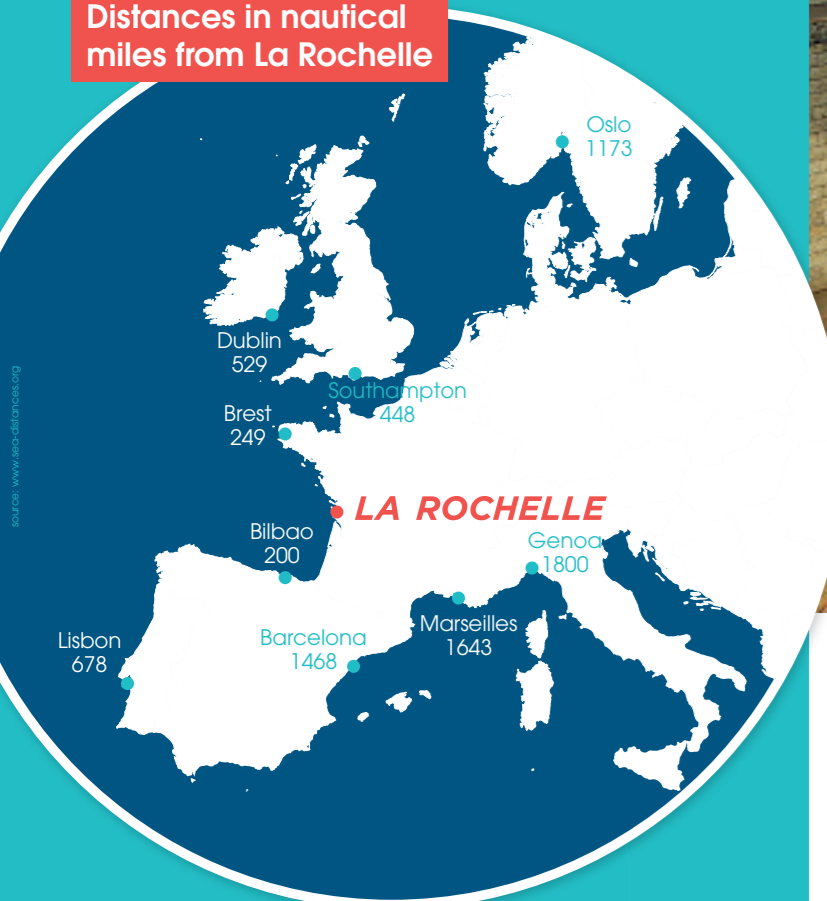

Sea Pole La Rochelle is located in a central position on the French Atlantic coast, and is composed of companies from the La Rochelle region specialised in shipbuilding and repair.

This La Rochelle corporate group combines specific skills for repair and shipbuilding with high-quality infrastructures (workshops, refit yard, dry docks, fitting-out docks, shiplift) and reliable tools.

Sea Pole La Rochelle contributes to the development of merchant and fishing fleets, civil or military administrations, or yachts.

The companies composing Sea Pole La Rochelle offer a complete range of services for shipbuilding and repair in the La Rochelle region.
